FINANCIAL POLICY REGARDING AUTO ACCIDENTS

Charges incurred for your care will be filed with your delegated worker's compensation company. Each insurance company has their own rules, regulations, limits, and procedures and we will work with your insurance company to try and secure coverage for the care you need. However, we CANNOT guarantee payment. If your account is not settled in-full through your insurance within 90 days following the completion of your treatment, the remaining balance will become the patient's responsibility. At that point we can help to set up a monthly payment plan in order to settle your account balance.

I have read, understand, and agree to the financial policy of SuNu Chiropractic Inc. as stated above.
